

# City of Las Vegas Career Opportunity

Applications are being accepted for a full-time Computer Technician for the City of Las Vegas IT Division.

**Entry Level:** \$10.81

**Nature of Job:** Performs on-site technical work to install and maintain software, computer hardware and network and communication infrastructure. This position will be responsible for the City of Las Vegas 24/7 priority facilities and departments, such as the Police Department, Fire Department (Station 1 and 2), and Abe Montoya Recreation Center. This position will also help with other departments and facilities throughout the city when called upon and directed by the IT Manager and/or other designee. Good clear communication is essential to the position due to interaction with staff and vendors. (A detailed job description is available at the Human Resource Office.)

**Qualifications:** Must possess a valid New Mexico Driver's License and be insurable by the city's insurance carrier. High School Graduate or equivalent supplemented by (1) or more years work experience in a computer environment. BS Degree preferred in Computer Science or related field. Minimum (1) years work experience on various Information and phone Systems. Demonstrate ability to analyze printed or visual data for mathematical and logic progression. Ability to review, interpret and apply technical components for Information and/or Phone Systems. Must possess good communication skills both written and orally.

**Posted:** General Public: April 17, 2017 thru April 24, 2017

**General Public:** Defined as any person interested in the position who meets the qualifications. An application with all necessary documentation including any pre-employment test must be completed and returned to the Human Resource Division.
