

City of Las Vegas Career Opportunity

Applications are being accepted for a Full Time **Water Treatment Plant Manager** for the City of Las Vegas Water Treatment Plant Division.

Entry Level: \$20.64

Nature of Job: The Water Treatment Plant Manager is a highly responsible technical, administrative and managerial position who is responsible for management and planning for the ongoing reliable, efficient and cost-effective operations of the City's water treatment facilities. The position is responsible for managing raw water transmission, raw water storage, water treatment, finished water storage systems, and watershed management, including construction, maintenance, operations and repairs to the City's water treatment facilities. The Manager coordinates and serves as a liaison with consulting engineers, contractors, developers, and other utility systems, and governmental agencies in the planning construction and maintenance of new and existing treatment plant equipment and facilities. This Manager must have a strong working knowledge of various applications, regulations, enforcement of laws, and policies pertaining to the City's water utility. (A detailed job description is available at the Human Resource Office.)

Qualifications: Valid NM Class D Driver's License, exceptional driving record and must be insurable by the City's insurance carrier. Must possess NM level IV water operator certification. Must have a minimum of five (5) years experience in the construction, maintenance, and operation of water treatment facilities, three (3) years of which was as a supervisor or manager. Any combination of training, education, and experience equivalent to graduation from an accredited college or university with a Bachelor's Degree in Engineering, Business Administration, Business Management, Organizational Management, or related field. Knowledge of safety procedures of water treatment operations; federal, state and local laws pertaining to the operation of the water treatment system; emergency, and O&M manuals.

Posted: General Public: April 17, 2017 thru April 24, 2017

General Public: Defined as any person interested in the position who meets the qualifications. An application with all necessary documentation including any pre-employment test must be completed and returned to the Human Resource Division.
