

The City of Las Vegas' Building Inspector, Ben Maynes, has accepted a position with the city of Hobbs.

We wish Ben the best.

Unfortunately, we are temporarily unable to provide the convenience of local building permitting and inspection until we can fill his position.

Effective immediately, Las Vegas property owners will need to have their contractors contact the New Mexico Regulation and Licensing Department for building permits and inspections.

Permits and inspections can be obtained online at

<http://www.rld.state.nm.us/CONSTRUCTION/ELECTRONIC-PLAN-REVIEW.ASPX>

Inspections can also be requested by phone at (877) 243-0979
