Chief Mares :

I understand that you may have a cascade system that you are replacing and may donate to another fire department. If this is true I would like to put my name in the hat for it. The Cabo Lucero Fire Department could use this system at our second station in San Geronimo. I have already advised Russell Pacheco of this and will also provide a copy of this letter to him. If there is any other information that you need from me to make this transaction happen let me know.

Thanks

The Loan Agreement, together with interest thereon and other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit, payable solely from the Pledged Revenues as provided in this Ordinance and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Ordinance or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Ordinance, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefore to payments required by the Loan Agreement, in its sole and absolute discretion.

B. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section and any payments required by outstanding Parity Obligations, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including,

but not limited to, the payment of any Parity Obligations or bonds or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest, if any, and any other amounts due under the Loan Agreement, subject to the uses hereof permitted by and the priorities set forth in this Ordinance. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues as set forth herein and therein and the Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Prior to the date of the initial delivery of the Loan Agreement to the Finance Authority, the provisions of this Ordinance may be supplemented or amended by ordinance or resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Ordinance. This Ordinance may be amended without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Ordinance Irrepealable. After the Loan Agreement and the Intercept Agreement have been executed and delivered, this Ordinance shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as herein provided.

affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to: annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an arbitrage bond under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto,

including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date. The Governmental Unit hereby further represents and covenants to comply with Section 7.6 hereof, which designates this Loan Agreement as a "qualified tax-exempt obligation" for the purposes of Section 265(b)(3) of the Code.

(x) Pledged Revenues Covenants. The Governing Body has duly adopted the Tax Ordinance imposing the second one-quarter of one percent (.25%) increment of Municipal Gross Receipts Tax, which constitutes the Pledged Revenues. The Tax Ordinance has not been repealed or superseded and is in full force and effect.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement.

Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property, and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement, or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement, requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Principal Component and Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement

shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. As provided in the Intercept Agreement, the Distributing State Agency shall cause to be transferred from the Pledged Revenues the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account and the amount provided in subsection (c) for deposit into the Loan Agreement Reserve Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority and the Loan Agreement Reserve Account shall be established and held by the Trustee, each on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to this Section 5.2 shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amounts on deposit in the Finance Authority Debt Service Account and Loan Agreement Reserve Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority, and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. (A) Monthly, beginning on the first day of the month following the Closing Date, an amount in equal monthly installments which is necessary to pay the first maturing Interest Component coming due on this Loan Agreement (which is May 1, 2016), and (B) on the first day of each month thereafter, one-sixth (1/6) of the amount necessary to pay the next maturing Interest Component on this Loan Agreement as described in Exhibit "B";

(ii) Principal Payments. (A) Monthly, beginning on the first day of the month following the Closing Date, an amount in equal monthly installments which is necessary to pay the first maturing Principal Component (which is May 1, 2016), and (B) on the first day of each month thereafter, one-twelfth (1/12) of the amount which is necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B".

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) As a second charge and lien on the Pledged Revenues received from the Governmental Unit after deposits in (a) and (b) have been made, the Trustee shall transfer and deposit to the Loan Agreement Reserve Account any amounts necessary to replenish the Loan Agreement Reserve Account to the Loan Agreement Reserve Requirement. Moneys in the Loan Agreement Reserve Account shall be held and administered by the Trustee and shall be used only to prevent deficiencies in the payment of the Principal Component and Interest Component of the Loan Agreement Payments resulting from a failure to deposit into the Finance Authority Debt Service Account sufficient funds to pay debt service requirements on the Loan; provided, that the final two Interest Components and the final Principal Component on the Loan shall be payable from the Loan Agreement Reserve Account. If funds are withdrawn from the Loan Agreement Reserve Account to pay debt service on the Loan, at the direction of the Finance Authority or the Trustee, additional Pledged Revenues shall be deposited into the Loan Agreement Reserve Account in amounts in equal monthly installments sufficient to restore the amount on deposit therein to the Loan Agreement Reserve Requirement within one (1) year following such withdrawal; provided, that no additional Pledged Revenues shall be intercepted to replenish the Loan Agreement Reserve Account following the transfer of the amount in the Loan Agreement Reserve Account to the Finance Authority Debt Service Account for payment of the final two Interest Components and the final Principal Component.

Notwithstanding any other provisions hereof, the Finance Authority shall have the right to waive the requirement of the Loan Agreement Reserve Account and the Loan Agreement Reserve Requirement, and any moneys in the Loan Agreement Reserve Account may, at the written direction of the Finance Authority, be applied to the Finance Authority Debt Service Account, or released to the Governmental Unit for the Project or used for any other purposes provided by law. If amounts in the Loan Agreement Reserve Account are released by the Finance Authority, the references in this Loan Agreement to the Loan Agreement Reserve Account and the Loan Agreement Reserve Requirement shall be of no further force and effect.

(d) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account and the Loan Agreement Reserve Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Ordinance or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred twenty-five percent (125%) of the combined maximum Aggregate Annual Debt Service Requirement coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any

outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority for the Governmental Unit may be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account and the Loan Agreement Reserve Account held by the Trustee and created hereunder may be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on any of said accounts shall be held and administered in each respective account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement to Finance the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the financing and completion of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to finance the Project. The Governmental Unit agrees to finance and complete the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit; (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code; or (iv) to expend funds after the date that is three (3) years after the execution and delivery of this Loan Agreement.

Section 6.3 Completion of the Project. Upon completion of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto stating that, to the best of his or her knowledge, the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

Section 7.6 Bank Designation of Loan Agreement. For purposes of and in accordance with Section 265 of the Code, the Governmental Unit hereby designates this Loan Agreement as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Governmental Unit reasonably anticipates that the total amount of tax exempt obligations (other than obligations described in Section 265(b)(3)(C)(ii) of the Code) which will be issued by the Governmental Unit and by any aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 7.6, "aggregated issuer" means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that: (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code; and (b) the total amount of obligations so designated by the Governmental Unit, and all aggregated issuers for the current calendar year, does not exceed \$10,000,000.

Section 7.7 Arbitrage Rebate Exemption. The Governmental Unit hereby certifies and warrants, for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code, to the requirement to rebate arbitrage earnings from investments of the proceeds of the Loan Agreement (the "Rebate Exemption"), that: (i) this Loan Agreement is issued by the Governmental Unit which has general taxing powers; (ii) neither this Loan Agreement nor any portion thereof is a private activity bond as defined in Section 141 of the Code ("Private Activity Bond"); (iii) all of the net proceeds of this Loan Agreement are to be used for local government activities of the Governmental Unit (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Governmental Unit); and (iv) neither the Governmental Unit nor any aggregated issuer has issued or is reasonably expected to issue any Tax-Exempt Bonds other than (A) Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) and (B) issued to refund (other than to advance refund (as used in the Code)) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond, during the current calendar year, which would in the aggregate amount exceed \$5,000,000. For purposes of this paragraph, "aggregated issuer" means any entity which: (a) issues obligations on behalf of the Governmental Unit; (b) derives its issuing authority from the Governmental Unit; or (c) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D) of the Code.

Accordingly, with respect to the Loan Agreement, the Governmental Unit will qualify for the rebate exemption granted under Section 148(f)(4)(D) of the Code and the Governmental Unit shall be treated as meeting the requirements of paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States.

The Governmental Unit hereby further represents and covenants that if it is determined that rebatable arbitrage, as that term is defined under Section 148 of the Code and related regulations, is required to be paid to the United States, that it will pay such rebatable arbitrage.

ARTICLE VIII
PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 No Prepayment. There is no option to prepay this Loan Agreement in whole or in part.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Government Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – "SLGs"), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX
INDEMNIFICATION

From and to the extent of the Pledged Revenues, to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the financing or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the financing or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order

remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of

Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.

ARTICLE XI MISCELLANEOUS

Section 11.4 No Liability of Individual Officers, Directors or Trustees. No recourse under or upon any obligation, covenant or agreement contained in this Loan Agreement shall be had against any member, employee, director or officer, as such, past, present or future, of the Finance Authority, either directly or through the Finance Authority, or against any officer, employee, director, trustee or member of the Governing Body, past, present or future, as an individual so long as such individual was acting in good faith. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such officer, employee, director, trustee or member of the Governing Body or of the Finance Authority is hereby expressly waived and released by the Governmental Unit and by the Finance Authority as a condition of and in consideration for the execution of this Loan Agreement.

Section 11.5 Severability. In the event that any provision of this Loan Agreement, other than the requirement of the Governmental Unit to pay hereunder, shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

CITY OF LAS VEGAS, NEW MEXICO
NEW MEXICO FINANCE AUTHORITY LOAN

STATE OF NEW MEXICO)	ARBITRAGE AND TAX
SAN MIGUEL COUNTY)	CERTIFICATE
CITY OF LAS VEGAS)	

On behalf of the City of Las Vegas, New Mexico (the "Governmental Unit"), and in connection with the Loan Agreement dated December 23, 2015 (the "Loan Agreement"), relating to the financing of renovation, rehabilitation and repair of the Abe Montoya Recreation Center for the use of the Governmental Unit, funding the Loan Agreement Reserve Account and paying the Processing Fee (the "Project") as described in the Loan Agreement, and evidencing the Governmental Unit's obligation in the aggregate principal amount of \$2,801,121, the Governmental Unit hereby certifies as follows:

Capitalized terms used in this Certificate have the same meanings as defined in Ordinance No. ____, adopted on November 18, 2015, unless otherwise defined in this Certificate or the context requires otherwise.

1. The Project. The Governmental Unit is entering into the Loan Agreement simultaneously with delivery of this certificate. The Loan Agreement evidences the loan (the "Loan") made by the New Mexico Finance Authority (the "Finance Authority") to provide funds to pay the costs of financing the Project and to pay certain costs incurred in connection with the execution of the Loan Agreement.

2. Security for the Loan Agreement. Debt service on the Loan Agreement will be secured by the pledged revenues described in Exhibit "A" attached to the Loan Agreement (the "Pledged Revenues") sufficient to pay debt service due in connection with the Loan, which Pledged Revenues have been pledged to the Finance Authority pursuant to the Loan Agreement.

3. Finance Authority Public Project Revolving Fund Program. The Governmental Unit acknowledges that the Finance Authority may assign and transfer the Loan Agreement to BOKF, NA, as successor trustee (the "Trustee") pursuant to an Indenture, as defined in the Loan Agreement, and all supplemental Indentures thereto, between the Finance Authority and the Trustee (collectively, the "Indenture"). Pursuant to the Indenture, the Loan Agreement may be pledged as an Additional Pledged Loan (as defined in the Indenture) to the Trustee as additional security for the payment of amounts due on the Finance Authority's previously issued Public Project Revolving Fund Revenue Bonds outstanding at the time of such pledge.

4. Sources and Uses of Loan Funds. The Governmental Unit has received Loan proceeds from the public project revolving fund (as defined in the Act) in the amount of \$2,801,121 from the Finance Authority (the "Proceeds"). The Proceeds do not exceed the amount reasonably necessary for the purposes for which the Loan Agreement was entered into.

5. Expenditure Expectations. The Governmental Unit expects to incur a substantial binding obligation within six (6) months of the date hereof with regard to the Project, which obligation involves the expenditure of no less than five percent (5%) of the Proceeds. The Governmental Unit reasonably expects that the \$2,500,000 of Proceeds deposited into the Governmental Unit's Program Account in the Program Fund together with other legally available funds and anticipated earnings from the investment of such Proceeds until they are spent, are expected to be expended within three (3) years of the date hereof.

The estimated total costs of the Project will not be less than \$2,801,121 plus investment earnings thereon during the acquisition period.

Proceeds in the amount of \$0.49 will be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 of the Loan Agreement.

Proceeds in the amount of \$21,008.41 will be deducted from the Proceeds and paid directly to the Finance Authority as the Processing Fee for the costs of originating and servicing the Loan.

6. Investment of Proceeds. Except for the investment of the Proceeds (i) in the Program Account established under the Indenture with respect to the Loan Agreement pending the payment of the costs of the Project; and (ii) in the Finance Authority Debt Service Account established and administered by the Finance Authority pending the payment of debt service on the Loan Agreement, there will be no investment of the Proceeds.

7. Bona Fide Debt Service Fund. Debt service payments on the Loan Agreement will be paid from the Pledged Revenues of the Governmental Unit deposited to the Finance Authority Debt Service Account created with respect to the Loan Agreement. Because the Pledged Revenues of the Governmental Unit for any year will exceed debt service on the Loan Agreement, it is assumed that current debt service paid by the Governmental Unit for deposit in the Finance Authority Debt Service Account will be derived entirely from the current Pledged Revenues. The Finance Authority Debt Service Account will be depleted at least once a year except for an amount not to exceed the greater of the earnings on the Debt Service Account for the immediately preceding bond year or one-twelfth (1/12th) of debt service on the Loan for the immediately preceding bond year. The Governmental Unit has not created or established, nor does it expect to create or establish, any debt service fund, redemption fund, replacement fund, sinking fund or other similar fund which is reasonably expected to be used to pay principal or interest on the Loan Agreement or pledged therefor, except for the Finance Authority Debt Service Account and the Loan Agreement Reserve Account.

8. Reserve Account. Proceeds in the amount of \$280,112.10 will be deposited in the Governmental Unit's Loan Agreement Reserve Account in the Agreement Reserve Fund held by the Trustee under the Indenture, which amount does not exceed the least of (i) one hundred twenty-five percent (125%) of the average annual principal and interest requirements under the Loan Agreement; (ii) the maximum annual principal and interest requirements under the Loan Agreement, or (iii) ten percent (10%) of the Loan Agreement Principal Amount. Amounts held in the Governmental Unit's Loan Agreement Reserve Account may be applied to prevent deficiencies in the payment of principal and interest on the Loan Agreement resulting from a

failure by the Governmental Unit to deposit into the Finance Authority Debt Service Account sufficient funds to pay debt service on the Loan Agreement.

9. No Disposition of Project. The undersigned reasonably expect that no part of the Project financed with the Proceeds will be sold or otherwise disposed of, in whole or in part, during the term of the Loan Agreement.

10. General Tax Covenant. The Governmental Unit has covenanted in the Loan Agreement that no use will be made of the Proceeds, or any funds or accounts of the Governmental Unit which may be deemed to be gross proceeds of the Loan Agreement, which use, if it had been reasonably expected on the date hereof, would have caused the Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. The Governmental Unit has further obligated itself in the Loan Agreement to comply throughout the term of the Loan Agreement with the requirements of Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto. Pursuant to the Loan Agreement, the Governmental Unit shall be liable for any rebatable arbitrage payable pursuant to Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto.

11. Private Business Use Limitations. None of the Proceeds will be used by a private business or any entity other than a governmental unit or secured by payments from or property of a private business or any entity other than a governmental unit except pursuant to a management contract which conforms with Revenue Procedure 97-13 of the United States Treasury as modified by Revenue Procedure 2001-39 of the United States Treasury. For purposes of the preceding sentence a governmental unit does not include the United States Government or any agency or instrumentality thereof.

12. No Common Plan of Financing. There are no other obligations which are being issued or sold at substantially the same time as the Loan Agreement pursuant to a common plan of financing with the Loan Agreement and that will be paid out of the Pledged Revenues or will have substantially the same claim to be paid out of the Pledged Revenues as the Loan Agreement.

13. No Federal Guarantees. The Loan is not federally guaranteed within the meaning of Section 149(b) of the Code.

14. Information Filing. Loan Counsel for the Finance Authority, on behalf of the Governmental Unit, will timely file the Form 8038-G with respect to the Loan Agreement attached hereto as Exhibit "A" with the Internal Revenue Service. The Finance Authority has verified certain information necessary to complete the Form 8038-G as shown on the Finance Authority Certificate attached hereto as Exhibit "B".

15. Hedge Bonds. The Loan is not a hedge bond as defined in Section 149 of the Code.

16. No Reimbursement. None of the Proceeds will be used to reimburse the Governmental Unit for costs paid for the Project more than sixty (60) days prior to the date hereof.

17. No Refunding. Proceeds of the Loan are not being used to refund any other obligation of the Governmental Unit.

18. Economic Life of Project. The weighted average maturity of 5.337 years of the Loan Agreement does not exceed one hundred twenty percent (120%) of the reasonably expected economic life of the Project, which is _____ years.

19. Qualified Tax-Exempt Obligations. The Loan Agreement is a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Code. The Governmental Unit represents that the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Governmental Unit during the current calendar year does not exceed \$10,000,000 and the Governmental Unit will not designate more than \$10,000,000 of “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. For purposes of this Section, “aggregated issuer” means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e).

20. Rebate Exception. The Governmental Unit is a governmental unit with general taxing powers, no part of the Loan Agreement is a private activity bond, ninety-five percent (95%) or more of the proceeds are to be used for local governmental activities of the Governmental Unit and, the aggregate face amount of all tax-exempt obligations issued by the Governmental Unit during the current calendar year is not reasonably expected to exceed \$5,000,000. There are no subordinate entities of the Governmental Unit which are authorized to issue tax-exempt obligations. If the Governmental Unit fails to satisfy all of the provisions of this paragraph 20 for any reason, as provided in the Loan Agreement and consistent with the covenants of the Governmental Unit contained therein, any rebate owed to the United States Treasury will be paid in the amounts and at the times provided in Section 148 of the Code.

[Signature page follows]

This certificate is being executed and delivered to establish the reasonable expectations of the Governmental Unit for purposes of Sections 103 and 141 through 148 of the Code, and the undersigned officers of the Governmental Unit are the officers of the Governmental Unit charged with the responsibility of entering into the Loan Agreement. The foregoing is based upon the reasonable expectations of the undersigned on the date hereof, and to the best of our knowledge, information and belief, the above expectations are reasonable.

\$2,801,121 New Mexico Finance Authority
Loan to the City of Las Vegas (3403-PP)

Ladies and Gentlemen:

We have acted as Loan Counsel to the New Mexico Finance Authority (the "Finance Authority") in connection with the \$2,801,121 Loan Agreement (the "Loan Agreement") between the City of Las Vegas, New Mexico (the "Governmental Unit") and the Finance Authority. The Loan Agreement is executed and delivered by the Governmental Unit pursuant to Sections 3-31-1 through 3-31-12, NMSA 1978, as amended, and the Governmental Unit's Ordinance No. _____, adopted on November 18, 2015 (the "Ordinance"). The Loan Agreement has been executed and delivered to provide funds for a renovation, rehabilitation and repair of the Abe Montoya Recreation Center for the Governmental Unit, to fund the Loan Agreement Reserve Account and to pay the Processing Fee, as described in the Loan Agreement.

We have examined the Loan Agreement, Ordinance and such other law and certified proceedings and other documents as we deem necessary to deliver this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Governmental Unit contained in the Ordinance and certified proceedings and other documents furnished to us, without undertaking to verify the same by independent investigation. In addition, we have relied upon statements of law made by the Governmental Unit's legal counsel in the certified proceedings.

Based on our examination, we are of the opinion that, under existing laws, regulations, rulings and judicial decisions as of the date hereof, subject to the provisions of federal bankruptcy law and other laws affecting creditors' rights and further subject to the exercise of judicial discretion in accordance with general principles of equity:

1. The Ordinance creates a valid and binding special limited obligation of the Governmental Unit enforceable in accordance with its terms and creates the pledge of the Municipal Gross Receipts Tax revenues (the "Pledged Revenues") which it purports to create.

2. The Loan Agreement is a valid and binding special limited obligation of the Governmental Unit, enforceable in accordance with its terms and provisions and the terms and provisions of the Ordinance.

3. The Loan Agreement is payable solely from, and such payment is secured by a valid and binding first lien (but not an exclusive first lien) on the Pledged Revenues and on a parity with the lien thereon of other outstanding obligations secured by a first lien on the Pledged Revenues as set forth in the Loan Agreement. The Finance Authority has no right to have taxes levied by the Governmental Unit for the payment of principal of or interest on the Loan Agreement and the Loan Agreement does not represent or constitute a debt or a pledge of, or a charge against, the general credit of the Governmental Unit.

4. The Loan Agreement is a valid and binding obligation of the Finance Authority and is enforceable in accordance with its terms and provisions.

5. Assuming continuing compliance by the Finance Authority and the Governmental Unit with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and with the covenants of the Governmental Unit regarding the use, expenditure and investment of Loan Agreement proceeds, interest on the Loan Agreement is excluded from gross income of the owners of the Loan Agreement for purposes of federal income taxation. Failure of the Governmental Unit to comply with its covenants and with the requirements of the Code may cause interest on the Loan Agreement to become includable in gross income for federal income tax purposes retroactive to the date of the Loan Agreement.

6. Interest on the Loan Agreement is excluded from net income of the owners thereof for State of New Mexico income tax purposes.

7. The Loan Agreement may be pledged as an "Additional Pledged Loan" or as a "Loan" under the General Indenture of Trust and Pledge dated as of June 1, 1995, as amended and supplemented, by and between the Finance Authority and the BOKF, NA, as successor trustee (the "Trustee"), or the Subordinated General Indenture of Trust and Pledge dated as of March 1, 2005, as supplemented, by and between the Finance Authority and the Trustee, as determined by the Finance Authority pursuant to a pledge notification or supplemental indenture.

We express no opinion with respect to the provisions of the Loan Agreement and the Ordinance with respect to indemnification or payment of attorneys' fees. Other than as described in this opinion, we have not addressed nor are we opining on the tax consequences to any person of the investment in, or the receipt of interest on, the Loan Agreement.

We express no opinion as to, or the effect or applicability of, any laws other than the laws of the State of New Mexico and the federal laws of the United States of America. The opinions expressed herein are based only on the laws in effect as of the date hereof, and in all respects are subject to and may be limited by future legislation, as well as developing case law. We undertake no duty to advise you of the same or to undertake to determine or confirm continuing compliance by the Finance Authority and the Governmental Unit with the requirements of the Code.

We understand that this opinion is being relied upon by the addressees hereof, and we consent to such reliance, but this opinion may not be delivered to or relied upon by any other person or entity without our written consent. This opinion is effective as of this date and we undertake no obligation to update or modify this opinion for any future events or occurrences.

Very truly yours,
