- b. Should the designee be unable to negotiate a satisfactory contract with the business considered to be the most qualified at the price determined to be fair and reasonable, negotiations with that business shall be formally terminated. The designee shall then take negotiations with the second most qualified business. Failing accord with the second most qualified business, the designee shall formally terminate negotiations with that business.
- c. The designee shall then take negotiations with the third most qualified business.
- d. Should the designee be unable to negotiate a contract with any of the businesses selected by the committee, additional businesses shall be ranked in order of their qualifications and the designee shall continue negotiations in accordance with this section until a contract is signed with a qualified business or the procurement process is terminated, and a new Request for Proposals is initiated.
