- Performs daily maintenance check on all fluids and working parts of vehicles.
- Records maintenance completed in log book.
- Must perform required preventative maintenance.
- Must assist manually in pickup of excess trash when a mechanical breakdown of equipment has caused delays in service.
- Cleans out equipment at the end of the day and removes excess debris.
- Examines equipment for cracks, loose bolts, nuts.
- Manually maneuvers trash bins that are overturned.
- Provides excellent customer service.
- Understand the occupational hazards and standard safety precautions necessary in the areas, follows proper safety procedures, and wears proper PPE.
- Proper maintenance of tools, equipment, and vehicles, and ensures their safe operation.
- Should be reachable by phone after hours.
- Works in all types of weather conditions and in all types of terrain conditions.
- Compacting of waste.
- Loading of haulers for travel to landfill.
- Assisting customers in disposal of household waste.
- Performs other duties as assigned.

MINIMUM JOB QUALIFICATIONS:

- High school diploma or equivalent.
- Must have two (2) years of direct work experience.

EMPLOYMENT REQUIREMENTS:

- Must possess and maintain a Class D Driver's License.
- Must possess and maintain a Commercial Driver's License (CDL) Class A within 6 months of employment.
- Must acquire and maintain all certifications as required by the NMED for this position.
- Must have a telephone or ready access to a telephone at their residence.

KNOWLEDGE, SKILLS AND ABILITIES:

- Ability to operate equipment safely and efficiently.
- Ability to perform heavy manual labor.
- Ability to establish and maintain effective working relationship with supervisors and other employees and to deal with the public in a pleasant, courteous, and tactful manner.
- Knowledge of functions, operating methods, and maintenance of a wide variety of heavy construction equipment.
- Knowledge of hazards and safety precautions and practices.
- Knowledge of New Mexico traffic regulations.
- Good knowledge of equipment specifications.
- Ability to understand and carry out written and oral instructions.

WORK ENVIRONMENT AND PHYSICAL DEMANDS:

- Required to perform "On-Call" duties on weekends, holidays, and anytime outside the normal working hours.
- Occasional sitting, walking, standing, climbing, and driving are essential requirements of the job.
- Work requires bending, twisting of the neck or truck of body.
- Occasional squatting, stooping, kneeling, reaching, repeat hand, hand/grip strength, arm and finger motions are a continuous requirement of the job.
- Regularly required to lift and/or move up to 100 pounds; pushing/pulling over 90 pounds; carrying over 90 pounds to a distance over 50 feet.
- Required to have exceptional vision, hearing and speech.
- Required to wear personal protective equipment. To include mask, respirator, gloves, steel toed footwear filter respirator, goggles or safety glasses, hard hat, earplugs/muffs, face shield, chemical apron, safety vest, lifting belt and two-way radio/beeper.
- Work is performed outdoors, on occasion indoors.
- Required to work continuous in temperatures below 32 degrees and above 100 degrees; working where there are sudden temperature changes of greater than 50 degrees.
- Walking on slippery surfaces is an essential requirement.
- Occasional work over 6 feet off the ground and working in confined spaces and/or cramped body positions.
- Handling or being in machinery that is vibrating.
- Required to work where there are sudden changes in air pressure or very high or low air pressure.
- Risk of getting a minor or major injury.
- Risk of getting bitten by animals or insects.
- Exposure to silica or asbestos dust (cement or concrete powder). Will be required to wear a mask.
- Exposure to other types of dust, other than ordinary surfaces, or household dust.
- Exposure to environmental allergens.
- Occasional contact with oils or other petroleum products.
- Exposure to solvents, degreasers, pesticides, and/or herbicides.
- Exposure to gases, fumes, sprays, etc.
- Noise level is usually moderate to loud and can be extremely loud.
- Exposure to welding flash or microwaves and sunlight.
- Required to meet deadlines with severe time constraints.
- Required to interact with the public, other workers, etc.
- Required to work irregular or extended hours.
- Occasional required to work alone.

- Required direct responsibility for the safety, well-being or work output of other people.
- Occasional multiple demands from several people.

NOTE: This position is subject to drug testing both pre-employment and random as set forth in the City of Las Vegas Drug Policy.
